Dear Community Partner,

The Shiloh House annual *It's All About the Kids Golf Tournament* is coming up on June 19th at Arrowhead Golf Course. I am writing to request your consideration to sponsor the tournament this year and help raise \$30,000 for young people in our Beyond the Walls program who have aged out of the foster care system. These youth are left without a support system once they turn 18. Our program focuses on developing skills that will support them through out their life, such as learning to budget their money or apply to jobs.

Your involvement is an essential part in meeting our fundraising goal and making an impact in the lives of these young people. This event allows you an opportunity to demonstrate your commitment to the community, advertise your business, and make a difference in the lives of youth that are in need of someone willing to invest in their future.

You can find the different sponsorship levels and how your contribution will be recognized throughout the packet. Our supporters are primarily based in the greater Denver metropolitan area and, as such, your business will be visible to more than 4,000 potential new customers.

To join us as an event sponsor please complete the attached form or online at onecau.se/itsallaboutthekids and feel free to call or email with any questions you have at (303) 933-1393 x1190 or gdorris@shilohhouse.net

Thank you in advance for your generosity.

Sincerely,

Gracie Dorris
Events and Communication Coordinator

What is the Beyond the Walls program?

Shiloh House Beyond the Walls Program is dedicated to helping youth aging out of foster care with the transition into adulthood. Paired with a life coach, we work with these youth so they can become a successful adult in their community. We help them learn to budget their money, apply to jobs, grocery shop, and so many other skills that are essential in the life of a young adult.
