

Shiloh House

Community - it's what we are, it's where we are.

2024

Make the most of your giving this year!

Our community of supporters are the foundation that Shiloh House stands on. For nearly 40 years your donation of time, energy, and dollars has changed countless lives across Colorado. You have helped families flourish and end cycles of trauma. We could not fulfill our mission for this community without you.

As we step into 2024 we want to maximize our support for families and youth in need. We know that with your support, we can impact even more lives. Please take the time to check out what we have to look forward to this year, and ways you can support your community as we embark on 2024!

Arrowhead Golf Course

2:00 PM

Our annual golf tournament raises money for our Beyond the Walls program. This program serves youth who have aged out of the foster care system. These youth are left without a support system once they turn 18. Our program focuses on developing skills that will support them throughout their life, such as learning to budget their money or apply to jobs.

Volunteering at Shiloh House is not just an opportunity to make a difference; it is a chance to be part of a transformative journey. Your time and dedication have the power to create a positive impact on the lives of those we serve. We provide a range of projects and opportunities, ensuring there's something for everyone to engage with and contribute as a volunteer with us.

1 Volunteer Your Time and Talents

We continuously welcome individuals to dedicate their time and skills to enhance Shiloh House. Whether you're a handy person, a talented baker, a creative crafter, a skilled hairdresser, or simply someone with time to spare, we appreciate your willingness to give back and make a positive impact.

2 Serve With a Group

Are you part of a group of friends looking for an opportunity to give back while strengthening your bonds? Join us in tackling projects from our list and make a meaningful difference together.

3 Set Up a Serve Project

Creating a serve project for Shiloh House is an impactful way to channel your passion for community service. By initiating a project, you not only contribute to the betterment of Shiloh House but also inspire positive change. Your unique project can address specific needs, foster a sense of unity, and make a lasting impact on the lives of those we support.

Services & Support

Foster Care Respite Program

New support for our community is kickstarting at Shiloh House this year, a Foster Care Respite Program. Maintaining youth in their current foster home placement is vital to their well being! At times, youth and their foster family may need a break from one another to promote improved safety and stability in the home.

Shiloh House has joined forces with the Colorado Department of Human Services to provide respite stabilization services for youth that are at risk of disrupting from their current foster or certified kinship home! While working with Shiloh House, youth and their families will benefit from access to residential care, mental health services, family therapy, coaching, and educational support.
